BANGALORE (Commodity Online): Dr. Seshadri Ramkumar's research paper on "Technical Textiles: Opportunities" has won the best technical paper award at the 66th annual conference of the Textile Association (India) held here recently.

Dr. Seshadri Ramkumar, Associate Professor in The Institute of Environmental and Human Health at Texas Tech Univeristy presented his invited paper at the annual conference of the Textile Association (India) on January 29th. The association is the largest in the field of textiles with over 22,000 members. This conference attracted about 500 participants.

Ramkumar's paper was judged the best by a set of juries. The award was presented to him at the valedictory ceremony of the event in the presence of the President and the Vice-President of the association. Participants from India, USA, China, Switzerland and Germany attended the two day conference. Dr Ramkumar Seshadri, a renowned expert and innovator in technical textiles is also a regular news analyst and contributor to [Commodity Online](#).
