INDA Nonwovens Training Workshop Slated For Bangalore

Posted on December 3, 2010 @ 11:03 am

INDA in collaboration with TechTex Nonwovens, Bangalore and Texas Tech University have organized a two day INDA Nonwovens Training Workshop to be held in Bangalore December 27-28, 2010. INDA has designed and developed the course for technical and nontechnical entrepreneurs, industrialists and students to know various technologies available, products that can be manufactured and projects suitable for Indian and foreign markets in an easy to understand video and audio presentations.

Texas Tech University Professor and Advanced Nonwovens Research laboratory director Dr. Seshadri Ramkumar will tutor the two day workshop.
