[Baltimore Sun - Exxon oil spill on Yellowstone River disrupts farms](#)

Governor Brian Schweitzer vowed on Tuesday to cling to Exxon Mobil like “the smell on a skunk” for as long as it takes to get the company to clean up a weekend oil spill that fouled an otherwise pristine stretch of the Yellowstone River in Montana.

...

“It will be unclear even next spring as to what kind of recovery has taken place,” said Ronald Kendall, chairman of the department of environmental toxicology at Texas Tech University and head of its Institute of Environmental and Human Health.
