The picture below was taken when Dr.Seshadri RamKumar was awarded Hon.F.T.A by the Textile Association (India)and it was presented by the Hon'bl Minister of Textiles,Govt of Karnataka.This highest Award is presented and confirmed to Eminent Scientists & Researchers for significant contribution in academic field by The Textile Association (India).

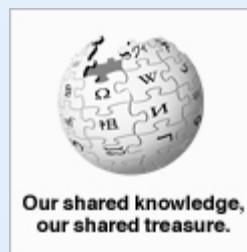

BANGALORE (Commodity Online): Dr. Seshadri Ramkumar's research paper on "Technical Textiles: Opportunities" has won the best technical paper award at the 66th annual conference of the Textile Association (India) held here recently.

Dr. Seshadri Ramkumar, Associate Professor in The Institute of Environmental and Human Health at Texas Tech Univeristy presented his invited paper at the annual conference of the Textile Association (India) on January 29th. The association is the largest in the field of textiles with over 22,000 members. This conference attracted about 500 participants.

Ramkumar's paper was judged the best by a set of juries. The award was presented to him at the valedictory ceremony of the event in the presence of the President and the Vice-President of
